INTRODUCING SEASONAL BABY
POTATOES - NO ALLERGEN!

ALWAYS LOW IN SALT!

ALLERGENS

Our allergen menu is built with dietary restrictions and cultural respects in mind

- VEGETABLE CACCIATORE
- BEAN CHILLI TOPPED BABY POTATOES
- CHICKEN CURRY & RICE
- SWEET POTATO CURRY
- VEGETABLE FRIED RICE

(WE LIKE TO HIDE THE VEG SOMETIMES. THEY NEVER KNOW...)

WE DON'T JUST PUSH THE BEANS TO THE SIDE!

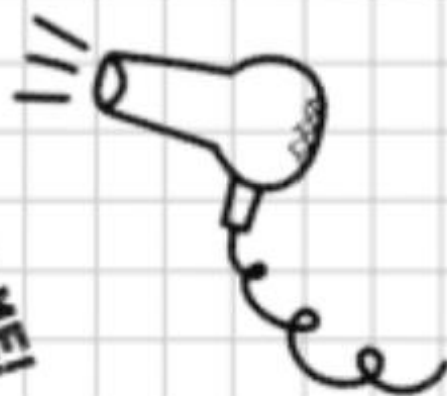

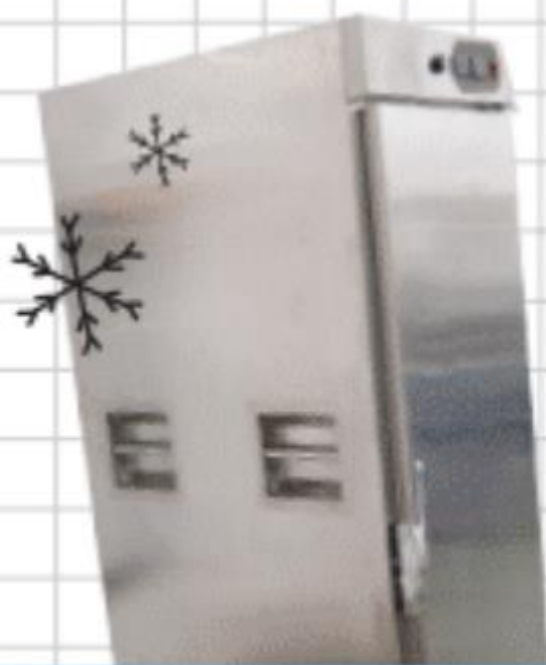

We develop menus to ensure children get the daily nutritional allowance they need for the best start in life!

We're not just about the food

- We don't do hazardous bubbling pots in schools. Our meals are prepped off-site which means proper chef's with more time & love added ♡
- We provide auditors to schools to ensure all EHO restrictions are being met. We pro-actively prevent food safety issues
- Our ovens are space saving & energy saving. We don't install new kitchens which means more room for your kids with MUCH less energy being used!

150 MEALS FIT INSIDE ME!

- **USES THE SAME AMOUNT OF ELECTRICITY AS A HAIRDRYER!**
- **COLD TO THE TOUCH FOR CHILD SAFETY**
